1 Introduction

Welcome to **instacv.photos**. By using our services, you agree to these Terms of Service (ToS). Please read them carefully.

2 Service Description

Our service allows users to upload their selfies and photos containing their face, and we generate AI-enhanced professional resume images for their personal use.

3 User Obligations

By using our service, you agree to:

- Use our service only for lawful purposes, in compliance with applicable laws.
- Only upload images that you have the right to use. We reserve the right to terminate or suspend access to our service, if you upload photos that you do not have the right to use.
- Not try to exploit our software to generate inappropriate or malicious images.
- Not to put our servers through heavy loads, or proto denial of service attacks, only use our service for personal use.

4 Intellectual Property

Users retain full ownership of the images generated through our service. By using our service, you grant **instacv.photos** a non-exclusive, limited license to process the input and output images for the purpose of providing the service. We store the images on our servers for some predefined amount of time to provide our services. Images are regularly deleted from our servers.

5 Privacy and Data Protection

We are committed to protecting your personal data in compliance with the General Data Protection Regulation (GDPR). By using our service, you consent to the collection and processing of your data in accordance with our Privacy Policy. Users have the right to:

- Request access to their personal data.
- Correct or delete their data.
- Withdraw consent at any time.

if you wish to remove, withdraw, or update personal data, please contact us at orders@instacv.photos.

6 Additional Data Collection

We collect basic non-identifiable information that you provide us when entering the website, such as: device type, i.e. mobile or web, web browser, operating system, language, country, etc to better target our services. We process your email address to send you our service through the stripe payment gateway, to send you the generated images.
